2013 CMS Regulations and Appendices / Clarification

Dear Madam,
Dear Sir,

Please take note of the information concerning the new safety flag:

Red cross flag	Medical staff on the track, proceed with extreme caution. Riders must roll each jump individually with no overtaking until past the area of concern.
----------------	--

The design of the red cross flag (white flag with a red cross) is as shown below:

Dimensions:

- Flag: 750mm X 600mm
- Width of red cross stroke: 100mm

Pantones for the colours:

- White: Pantone White C
- Red: Pantone 186C

We kindly request that you inform your officials, organisers and anyone concerned so that everything can be prepared in due time for the FIM Motocross and SuperMoto World Championship event(s) that will be held in your country.

We thank you for your cooperation.

Best regards,

Dirk De Neve,
CMS Coordinator.
