Which treatment and examination expenses are covered?

Sports Cover provides comprehensive cover for costs of doctor's appointments, medication, examinations and surgery for a maximum of three years:

- fees for examinations, treatment and surgery performed by healthcare professionals at their practice or clinic for each sudden event
- costs of pharmaceutical products and wound dressings sold at pharmacies
- daily hospital charges
- costs of dental injury examinations and treatments with no time limit for compensation
- costs of orthopaedic braces or bandages for the treatment of a coverable injury
- costs of physiotherapy to recover from a fracture, surgery or plaster treatment. Physiotherapy is also covered in knee and shoulder injuries where physiotherapy is applied instead of surgery. However, physiotherapy is only covered for a maximum of 10 sessions per sudden event.
- rental costs of forearm or underarm crutches
- travel expenses to the nearest hospital or clinic.
- furthermore, the costs of repatriating a deceased or injured person from abroad are covered to up to EUR 15,000.

If the insured person does not reside permanently in Finland and sustains a loss in Finland, we require that examinations and treatment begin in Finland.

Treatment expenses are only covered insofar as they are not or would not have been coverable under the Health Insurance Act or under some other legislation.

Have you had an accident? Contact the Pohjola Health Advisor service

Get free medical advice and a treatment needs assessment from a Pohjola Health Advisor. If necessary, our healthcare professional will book you an appointment with an online doctor or our partner clinic.

The Health Advisor will check what your insurance policy covers when you use medical services subject to charge, and handle the claim for you. At the appointment, you will only pay the deductible for the treatment if there is a deductible.

If there is no need to visit a doctor, you will receive clear instructions for home care, ensuring a speedy recovery.

Outside service hours and in an emergency, you may visit any clinic or hospital to receive first aid. In these cases, you must first pay the expenses yourself and then file a loss report in OP-mobile or at op.fi.

Pohjola Health Advisor is available on our app and by phone at +358 100 5225.

Calls are charged at the normal mobile phone or local network rate. Pohjola Health Advisor is provided by Pihlajalinna Lääkärikeskukset Oy.
