- match trips and education, fitness and training camps for their entire duration

as well as during trips to and from such events lasting up to three (3) months, both in Finland and abroad.

Sports Cover is a fixed-term policy

Sports Cover is valid only in the competition for which the insurance has been purchased and paid. Sports Cover will end on 31 December 2026.

Which treatment and examination expenses are covered?

Sports Cover provides comprehensive cover for costs of doctor's appointments, medication, examinations and surgery for a maximum of three years:

- fees for examinations, treatment and surgery performed by healthcare professionals at their practice or clinic for each sudden event
- costs of pharmaceutical products and wound dressings sold at pharmacies
- daily hospital charges
- costs of dental injury examinations and treatments with no time limit for compensation
- costs of orthopaedic braces or bandages for the treatment of a coverable injury
- costs of physiotherapy to recover from a fracture, surgery or plaster treatment. Physiotherapy is also covered in knee and shoulder injuries where physiotherapy is applied instead of surgery. However, physiotherapy is only covered for a maximum of 10 sessions per sudden event.
- rental costs of forearm or underarm crutches
- travel expenses to the nearest hospital or clinic.

We require that any treatment and examinations have been prescribed by a doctor, conform to generally accepted medical practice, and are necessary for the treatment of the injury.

If the insured person does not reside permanently in Finland and sustains a loss in Finland, we require that examinations and treatment begin in Finland.

Treatment expenses are only covered insofar as they are not or would not have been coverable under the Health Insurance Act or under some other legislation.

The above Clause is not applied in this contract with regard to motor liability insurance.

Have you had an accident? Contact the Pohjola Health Advisor service

Get free medical advice and a treatment needs assessment from a Pohjola Health Advisor. If necessary, our healthcare professional will book you an appointment with an online doctor or our partner clinic.

The Health Advisor will check what your insurance policy covers when you use medical services subject to charge, and handle the claim for you. At the appointment, you will only pay the deductible for the treatment if there is a deductible.

If there is no need to visit a doctor, you will receive clear instructions for home care, ensuring a speedy recovery.

Outside service hours and in an emergency, you may visit any clinic or hospital to receive first aid. In these cases, you must first pay the expenses yourself and then file a loss report in OP-mobile or at op.fi.
